

This educational event is sponsored by Bayer. The level of sponsorship covers digital platform and meeting facilitation fees paid to Bamboo Medical Communications Limited and Dr Riyaz Shah's speaker honoraria. Bayer have had no influence over the content of the meeting outside of Dr Riyaz Shah's presentation.

“Everything you want to know about genomics but are afraid to ask”

Virtual educational meeting: Thursday 29th September 2022. 5.30pm – 7.00pm

The NHS North Thames GLH and NHS South East GLH are delighted to organise and co-host this Bayer sponsored educational meeting and welcome healthcare professional attendees from our regional cancer clinical teams.

Aims: To explore the benefits and challenges of mainstreaming genomic profiling and precision oncology pathways in the management of patients with cancer.

Target Audience: Cancer MDT HCPs.

Agenda

5.30pm Welcome and Introduction

- *Dr Debashis Sarker, Consultant Medical Oncologist, Guy's and St Thomas' NHS Foundation Trust. Cancer Lead for Genomics, South East Genomics Laboratory Hub.*

5.35pm Why should we genomically profile our patients? A clinician's perspective

- *Dr Nirupa Murugaesu, Consultant Medical Oncologist, St George's University Hospitals NHS Foundation Trust. Cancer Lead for Genomics, South East Genomics Laboratory Hub.*

5.45pm How can we optimise tissue samples for genomic testing and minimise failures?

- *Professor Louise Jones, Pathology Lead, North Thames GLH*

6.00pm Single gene or panel testing - how can we balance clinical value and timely reporting?

- *Dr Mike Hubank, Scientific Director, North Thames and Nicola Foot, Consultant Clinical Scientist, Service Lead for Cancer Genetics Guy's Hospital.*

6.15pm From bench to bedside – how can we maximise the value of genomic reports?

- *Dr Nirupa Murugaesu, Consultant Medical Oncologist, St George's University Hospitals NHS Foundation Trust. Cancer Lead for Genomics, South East Genomics Laboratory Hub.*

6.25pm What has genomic testing ever done for us? Patient Case Studies.

- *Dr Riyaz Shah, Consultant Medical Oncologist, Maidstone and Tunbridge Wells NHS Trust, Kent (Bayer sponsored presentation. Bayer products will be discussed during this session)*
- *Dr Debashis Sarker, Consultant Medical Oncologist, Guy's and St Thomas' NHS Foundation Trust. Cancer Lead for Genomics, South East Genomics Laboratory Hub.*

6.45pm Q & A

- *Panel*
